

OUR BUSINESS IS PREVENTING THE SPREAD OF COVID19

IMPORTANT NOTICE FOR PRIVATE PREMISES OWNERS/OCCUPANTS

The construction industry including maintenance and related trades is open for business, and are able to continue to provide services such as building, renovation, maintenance, installations, landscaping, quoting, measuring, etc.

When carrying out work at your premises our business is preventing the spread of COVID19 by:

- Practicing social distancing indoors and outdoors
- Minimising the numbers of people required at your premises
- Implementing good hygiene practices
- Ensuring workers who are unwell stay at home
- Following the quarantine and self isolation rules if required
- Making arrangements for contactless payment
- Keeping up to date with information and changes to the Governments COVID19 requirements.

Prior to arrival at your premises we ask that you have completed, signed and returned the Health Disclosure Form.

If you answered yes to any of the questions on the health disclosure form, or your health condition has changed since you completed the form, we may need to reschedule your work.

When we arrive at your premises we will greet you verbally, introduce you to our workers and explain how we intend to carry out the work.

Whilst we attend your premises we ask that you please practice social distancing and good hygiene and limit contact with our workers.

If you have any questions or concerns about how your work please reach out to us. Our priority is your safety and the safety of our workers in these unprecedented times.
